Do you like

the mario Death

game?

DRAW:

game
over!

- It's a tower defense game where you have to set up towers to stop the bad guys from taking over.
- It's ok.
- I have to check myself to make sure I'm not just wasting time.

- God made us because He loves to make things.
- You were made not to melt like a snowman! You were made to love Him and enjoy a friendship with Him forever.

Why did God make us

How do we know that god
is real?

Ennio

How do we
know god is
real?

- “A fool says in his heart, there is no God.” Psalm 14:1
- Just look around. What makes your heart beat? Can you cause lightning to strike? Can you make a star or a sunset?
- Creation, the prophets, Jesus and the apostles prove He is VERY real.

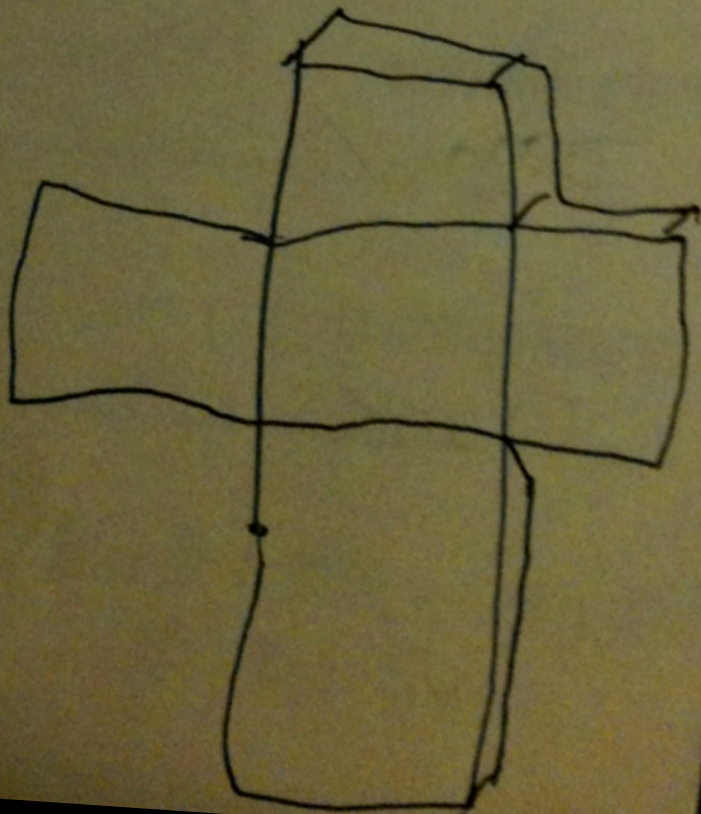

Why do we have a heart?

- The heart pumps blood, which has nutrients and oxygen, throughout your body! We need it for life!
- The heart that the Bible talks about is the deepest part of us where our feelings, true wants and attitudes come from.

When will Jesus
Come.

DRAW:

- We don't know! Only God the Father knows that.
- It's a mystery to us.
- We must wait and be prepared for Him, like waiting for a surprise.
- Matthew 25:13, "Watch therefore, for you know neither the day nor the hour."
